1. In early July 1954, it was learned that a Soviet ration supply depot was established in the former German Army supply depot north of Dresdener Strasse and east of the road to Windisch-Leuba in Altenburg. The depot was provided with a spur track. The two large buildings of the installation had several stories. 1
2. The following is a list of rail supply shipments dispatched from Altenburg in May and June 1954 and of rail shipments dispatched from the Erfurt cold-storage ware house to Soviet units in June 1954:
